LAB GROWN
DIAMOND JEWELRY

ABOUT STARLAB

Lab grown diamonds have grown popularity due to their price as they are less expensive than natural diamonds. Lab grown diamonds have become well accepted in the United States.

STARLAB is a comprehensive **LAB GROWN DIAMOND JEWELRY LINE** presented by **GEM STAR**.

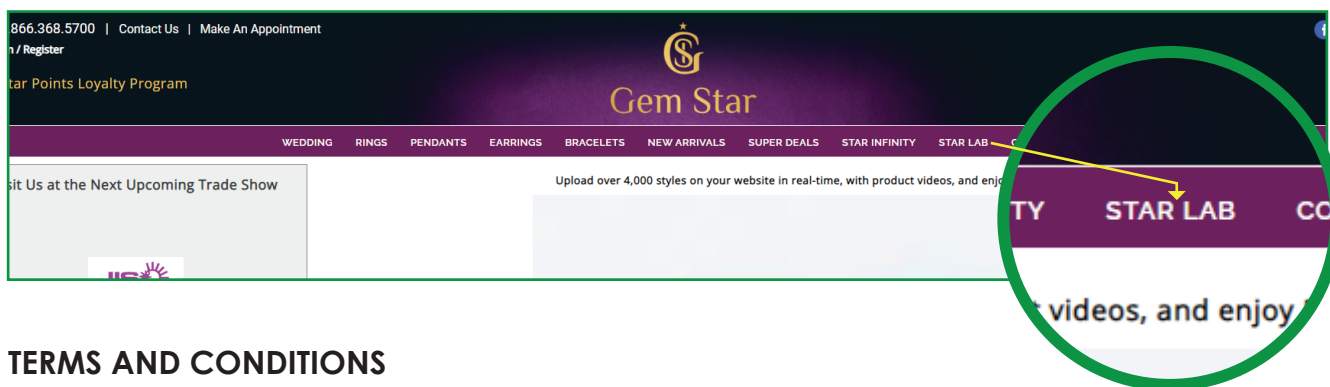

Gem Star carries over 4000 styles all in natural diamonds. With the growing demand for lab grown jewelry we created **STARLAB**. We wanted to offer our clients a finished product line in all categories at the sharpest price point. All our products have been created based on the most popular demands in the current market. Our objective is to provide our retailers with a focused line of designs. The diamond quality ranges from **VS1 to SI1 FG** color.

ORDER AND DELIVERY

ORDERS can be placed over the **PHONE** with any of our **SALES TEAM** or **ONLINE**. **STARLAB** is a separate tab on our website. You can only access STARLAB by clicking on the tab shown below. The rest of our tabs on our website are all for natural diamond jewelry. **DELIVERY** of all products are shipped within **48-HRS**.
